

Date: ...29.10.2009.

Dear Parent,

Warm greetings to you.

The school will remain closed upto Sunday 8th November as per the directions and advice of the Health Department and not Wednesday 4th November as informed earlier. We are sorry for the inconvenience caused.

Kindly note:

There will be a Screening Test for all the Students on 8th November from 10.00 a.m. to 3.00p.m. in the school premises before being admitted to the hostel.

Since Doctors from the Health Department are available only on that day, kindly ensure that your child is in time for a medical check up.

Parents are requested to make their own arrangements to drop their child/children in school.

Thanking you,

Headmaster
